

RACING ON AN ICY TRACK.

ONLY A FEW HUNDRED PERSONS AT GUTTENBERG YESTERDAY.

King Crab's Defeat of Burlington in the Mile and a Sixteenth Race Was the Feature of the Day—Tasso, Azrael, Beaumont, and Westchester Win for the Tenant.

The Hudson County Jockey Club threw their gates open to the public yesterday after postponement Thursday because of the dangerous condition of the track. Even yesterday the course was very risky, the hot sun melting the snow on top and leaving bed of ice underneath. Fortunately there were no accidents. The meeting of King Crab, Burlington, and Kirkover at a mile and a sixteenth was the feature of the otherwise rather poor card.

Tasso was favorite in the opening scramble for beaten horses, and justified the confidence of the talent, winning easily by two lengths from Shotover, who beat Power eight lengths for the place. Menthol was played for a real good thing in the second event, but quit badly after going a furlong. Van S. at 10 to 1, then took command and won as he pleased by three lengths. Bolivar beat Laugraska a head for the third race, and while they ran for the fourth, the pair were led to the starting post. King Crab, who beat Power eight lengths for the place by a short head, was turned out to start again. After a short delay they were sent off to a good start, with Kirkover in the lead. After going a quarter King Crab took the lead, and while the others were still in the old gelding romping in a winner by three lengths, while Burlington had to be ridden out. Kirkover had a length for the place. Beaumont and Westchester were the favorites, won the next two events. Summaries:
